

Better conflict outcomes

The TKI® assessment

How much time and money does conflict cost your business?

With the Thomas-Kilmann Conflict Mode Instrument (TKI®), you can manage conflict and keep morale high. The TKI tool explores five modes or 'styles' for handling conflict: **avoiding, accommodating, compromising, competing** and **collaborating**. It helps your employees to learn:

- **their default approach to conflict**
- **how to use other approaches to conflict**
- **how to identify the best approach for a given situation**

Competing interests and different communication styles can easily lead to conflict in the workplace. The TKI instrument offers fast, flexible solutions.

TKI features

Offers five approaches to conflict

Applies to individual and team use

Is the world's best-selling conflict assessment

TKI benefits

Gives you flexibility to handle more situations productively

Improves morale for individuals and teams

Fast and accessible, it reduces conflict quickly

Use the TKI assessment for:

- **Conflict**
- **Leadership**
- **Communication**
- **Team development**
- **Stress**

“ There aren't many situations where doing a TKI analysis isn't useful – which is why I've used it so much. People don't get stuck on it or debate it...it works quickly and effectively.”
